EVENTS ON THROUGHOUT WEEK

17-23 May

The Foundry Arts Space, Echuca

The Foundry Arts Space presents Same Country, Different Interpretations an exhibition by Elaine Van Dyk and Judy Hutchins. The exhibition will explore the landscape through the eyes of two artists from different cultural backgrounds. Judy Hutchins was born in Australia, while Elaine van Dyk was born in South Africa. Their backgrounds and personal experiences influence how each sees and interprets the Australian landscape. The artworks are a response to the landscape, their interpretation of its moods, tones, colours, textures, the feelings evoked, the essence of the landscape. The exhibition will consist of paintings and printmaking and will take the viewer from the vast, rugged outback to mountains, tranquil waterways, and to Australia's beautiful coastal areas. The exhibition is on show from Friday 3 May until Monday 10 June 2024. The Foundry Arts Space is open daily from 10.00 AM to 4.00 PM except Tuesdays. For more information: <https://emai.org.au/>

Port of Echuca Exhibition “Cats and Dogs all at Sea”

Cats and Dogs – All at Sea is a touring exhibition from the Australian National Maritime Museum. This free exhibition will be on show at the Port of Echuca Discovery Centre until June 2024. Cats, dogs, monkeys and birds have been cherished on board ships for as long as people have made sea voyages. In a life from which children and families are usually missing, pets provided an important source of comfort and affection. Photographer Samuel Hood boarded hundreds of ships between 1900s and 1950s that were moored in Sydney Harbour. He took thousands of photographs of crew members, from deckhands to the captain as a souvenir of their visit or to send home to families and loved ones.
